

Mercy Flight Central

We have established the **Gift of Life Fund** at the Rochester Area Community Foundation. This Fund can accept planned gifts large or small — from anyone interested in supporting Mercy Flight Central.

Planned Giving Can Work For You and Your Family

Planned gifts may offer you significant tax savings while assuring future resources for Mercy Flight Central. If you are considering a gift, we would be happy to work with you and your advisors to explore charitable gift options that may enhance your overall estate plan and benefit you and your family.

Please indicate how we can help you:

- Send me your Planned Giving brochure.
- Have the Development Department contact me regarding planned giving and the **Gift of Life Fund**.
- I would like to make a planned gift to the **Gift of Life Fund**.
- I have included Mercy Flight Central in my estate plans and have not previously notified you.

Please fill out and mail back in enclosed envelope
